**MARKER PLACEMENT RELEASE**

The undersigned property Owner or Manager authorized to act on behalf of the Owner (“Owner”) grants permission to the Santa Fe Trail Association (SFTA), its authorized members, and agents to place marker(s) and/or markers with related structures along the alignment of the Santa Fe National Historic Trail at the locations described below:

Legal Description (quarter section, section, township, and range)	

Owner understands and agrees that, once placed, any signs or labels on the aforesaid remain the property of the SFTA. Markers with signs or labels with the National Park Service (“NPS”) historic trails logo(s) remain the intellectual property of the NPS and cannot be removed, altered, modified or relocated without NPS approval.

Owner understands and agrees that the intent of the marker is to document and mark, to the highest degree of accuracy possible, the actual historical alignment of the Santa Fe National Historic Trail. Owner will first consult with the NPS and/or the SFTA before relocating any marker.

Owner gives permission for the SFTA and/or NPS to enter upon the property for the purpose of replacing or maintaining the marker signs. Any restrictions/requirement on entry are stated in the ADDITIONAL REQUIREMENTS below.

Owner agrees to do everything reasonably feasible to maintain the original marker location(s) and to maintain undisturbed the historic remnants or evidence of trail-sites and/or trail segments, if any, which still exist on the owner’s property.
